The window is subdivided into vehicle selection, categories, article selection with screen shot and detailed information.

The screenshot shows a web application interface for car accessories. The top navigation bar includes the MPO logo and several menu items: Dashboard, Appointments, Service Advisor, Accessories, Service, and Explanation Tool. The left sidebar contains a category tree under 'SCÉNIC III' and 'CATEGORIES'. The main content area displays a table of products with columns for Image, Description, and Price. The table lists four carpet sets with their respective prices and descriptions.
